

# ENGINEERING PROGRAM & HEAVY EQUIPMENT PROGRAM SCHOLARSHIPS AVAILABLE!

## Allegany County Highway Superintendents' "Road to the Future Scholarship Fund"

These \$1,000 scholarships were established for students pursuing an engineering program at Alfred University or the Heavy Equipment Program at Alfred State SUNY College of Technology at Wellsville. The recipients must have attended a high school in Allegany County in New York State or had been a home schooled student living in Allegany County in New York State. The recipients must also have a family member who is employed by a municipal highway department within Allegany County in New York State. High school seniors with at least a 2.0 GPA and those currently in college with at least a 2.5 GPA may apply.
